SHIZU LOW TABLE

Long Solid Oak Low Table

The Shizu Low Table is a long, low solid oak surface that grounds a room like a plinth. At 1650 mm wide and 350 mm high, it can work as coffee table, console, media unit, or display surface without prescribing how the room should be used.

Design benefits

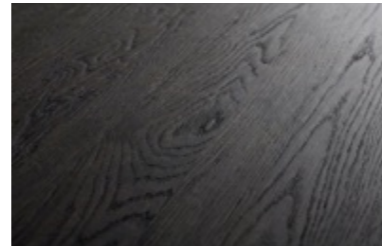

- 1650 mm width anchors a sofa wall or living room without visual heaviness.
- 350 mm height pairs with Sora Sofa, Kawa Bench, and standard lounge seating.
- Continuous ENWA Edge softens the long horizontal profile for knee, shin, and hand.
- Rectangular confidence of the Sen table translated into a low, calm surface.

In context

PRODUCT OPTIONS

Wood finish

CHARCOAL OAK

Close texture view - ultra-thin matte lacquer over solid North American oak

Edge / leg detail

LONG EDGE / SUPPORT DETAIL

The long tabletop edge is softened by hand; the support rises into the surface with visible charcoal oak grain.

Material / finish specification

Wood: solid North American oak - FAS grade or better - kiln-dried twice
 Structure: long solid oak tabletop with shaped support legs
 Finish: ultra-thin matte lacquer, natural or charcoal; multiple thin coats, hand-sanded between passes
 Preparation: 19-25 days wood preparation; quality-controlled in Tokyo studio

TECHNICAL SPECIFICATIONS

PRODUCT TYPE
Long low table / console

DIMENSIONS
W1650 x D750 x H350 mm

WEIGHT
32 kg

PRODUCTION PROCESS
Solid North American oak, kiln-dried twice. CNC-machined major cuts; hand-shaped and hand-sanded through progressive grits.

COLOUR
Wood finish
Charcoal Oak / Natural Oak

MATERIALS
Solid North American oak tabletop and shaped support legs, selected for grain stability and clarity.

FINISH
Ultra-thin matte lacquer in multiple thin coats, hand-sanded between passes. Charcoal keeps the oak grain visible in raking light.

LEAD TIME / WARRANTY
8-12 weeks. 5-year structural warranty.

DESIGN
The Sen table brought low: the same rectangular confidence and soft ENWA Edge at coffee-table height.

ENVIRONMENT
Indoor lounge / console use

DELIVERY
DDP delivery to 34 countries. Ships flat-pack with included tools and assembly guide.

MAINTENANCE
Please refer to Mililab care instructions for oak and painted wood surfaces.
